

Interview Questions

for Hiring Managers

Problem Solving & Critical Thinking

- Tell me about a time you were assigned a project with little direction. What steps did you take to figure it out?
- If your manager asked you to complete a task in a way you disagreed with, how would you handle it?

Prioritization & Time Management

- Imagine you have multiple high-priority deadlines due at the same time. How would you decide what to tackle first?
- Tell me about a time when you missed a deadline. What happened and what would you do differently next time?

Adaptability & Learning

- Tell me about a time your team or company went through a big change. How did you adapt?
- You've been given a task using a tool or process you've never used before. What do you do?
